Carrickmore Regeneration. The Ulster in Bloom and Best Kept Town adjudicators will visit Carrickmore unannounced during last half July and first half August respectively. An extra special effort is required immediately to catch up with essential preparations. A close look at our environs will reveal that several 'sad spots' still exist. If you feel you can tackle any such annoying site or issue on your own or with friends, just do it! You r effort will be noticed and appreciated. Every little helps! The prize for a concerted effort now is a town and its environs that we and visitors to our town can all enjoy for months to come. Reminder: Please continue to show your appreciation to FODC employees who fill our baskets and planters, water our flowers and clean our streets. They deserve it.
