The Season of Creation, is marked throughout the Christian world from 1st September to 4th October (Feast of St. Francis of Assisi) and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment. "The idea of infinite or unlimited growth, which proves so attractive to economists, financiers and experts in technology … is based on the lie that there is an infinite supply of the earth's goods, and this leads to the planet being squeezed dry at every limit." (Pope Francis) www.catholicbishops.ie/2019/07/17/season-of-creation-2019/

A Blessing for a New School Year God of wisdom and might, we praise you for the wonders of our being, for mind, body, and spirit. Be with our children as they begin a new school year. In Christ our Lord. Amen.
