St Patrick's PS Creggan closed in 2010, a sad day for all in the community. In the years following, with lease arrangement, Creggan Community Association made tireless efforts to secure funding so that a facility for the care of young children would be established. Despite time and effort and expense, securing funding proved unsuccessful. In recent years the Parish Finance Committee, under direction and guidance from St Patrick's Archdiocesan Trust, has monitored the condition of the School and recognised the health and safety risks which have developed. It is difficult to see the school fall into further dis-repair. As a result, in compliance with charity law, the property is now for sale.
