Feast of Our Lady of Knock – Monday 17th August

On a wet dark August evening in 1879, the villagers were in their small thatched cottages gathered around their turf fires from which they took warmth and light on such a terrible night. They had spent day doing the usual work of the harvest time of the year – gathering hay, bringing turf home from the bog. Suddenly word spread that something extraordinary was happening at the Church and so they hurried to the windswept gable where they witnessed a heavenly vision surrounded in a brilliant white light.

Wearing of face-coverings in Church
Whilst at this time it is not mandatory in places of public worship, we recommend that parishes encourage parishioners to wear face-coverings in our Church buildings for their own and others safety and welfare.
