WORLD DAY FOR GRANDPARENTS AND THE ELDERLY

Pope Francis has established a World Day for Grandparents and the Elderly, which is Sunday 25th July, on the theme 'I am with you always' (Mt 28:20). This World Day is a timely reminder for the whole Church to be close to all the elderly and grandparents at this time of pandemic.

Throughout his papacy Pope Francis has reminded us to value the many gifts of grandparents and the elderly. In his theme chosen for this inaugural year *I am with you always*, the Holy Father is highlighting that promise of closeness that generations share with each other. Not only are our young people called to be present in the lives of older people, but so too grandparents and elders have a mission to encourage young people on their faith journey. Our little domestic churches are always enriched by the inclusion of grandparents and elders.
