The third World Day for Grandparents and the Elderly

celebrated on July 23rd, has the theme, "His mercy is from age to age" (Lk 1: 50). This verse reminds us that God's mercy is manifested in history through the testimonies of those who have experienced it and passed it on to their children and grandchildren. Grandparents and the elderly are called to carry this mercy, to tell through words and life how God has been faithful to His promises and how He continues to love His people. They are also called to receive God's mercy, and to allow themselves to be comforted by His fatherly love that never abandons them. The World Day for Grandparents and the Elderly is an occasion to once again express with joy that the Church wants to celebrate together with those whom the Lord -- as the Bible says -- has given "a full life".

Pope Benedict XVI's Prayer for Grandparents

Lord Jesus, you were born of the Virgin Mary, the daughter of Saints Joachim and Anne.
Look with love on grandparents the world over. Protect them!
They are a source of enrichment for families, for the Church and for all society. Support them!
As they grow older, may they continue to be for their families strong pillars of Gospel faith,
guardian of noble domestic ideals, living treasuries of sound religious traditions.
Make them teachers of wisdom and courage, that they may pass on to future generations
the fruits of their mature human and spiritual experience.
Lord Jesus, help families and society to value the presence and roles of grandparents.
May they never be ignored or excluded, but always encounter respect and love.
Help them to live serenely and to feel welcomed in all the years of life which you give them.
Mary, Mother of all the living, keep grandparents constantly in your care,
accompany them on their earthly pilgrimage, and by your prayers,
grant that all families may one day be reunited in our heavenly homeland,
where you await all humanity for the great embrace of live without end. Amen
