World Day of the Poor: Sunday 19 November: We pray that the world's poor chosen by God to be heirs of his kingdom, may always find hope and support from Christ's followers. We pray that the world's resources gifted by God may be fairly shared among the peoples of the earth and that those most in need will be treated equally and with justice. We pray too that our eyes may be opened to the poor in our own communities and that we may give them help and encouragement according to our means.

World Day *of* Remembrance of Road Traffic Victims: Sunday 19 November Lord, we pray for those who have lost their lives on our roads and those who have been injured in mind and body. We pray too for those who use our roads and especially those who work for our safety and well-being and those who dedicate themselves to rescue and healing. We think of those who care for the injured, those who have lost confidence and who are unable to use the roads without anxiety and those who grieve for a loved one who has died in a road tragedy. Loving God, use us to comfort and support those who suffer and what we cannot do for them, be pleased yourself to do, so that in the mystery of your love, they may find peace and healing. We pray as always through Christ our Lord, AMEN.
