Catholic Schools Week -Sunday 21 – Sat 27 January. The theme for the week is "Catholic Schools- communities of service!" This special week gives us an opportunity to acknowledge and celebrate the tremendous contribution that our Catholic Schools make, not just to society but to the mission of the Church. Within our parish, we are indebted to the many people who contribute enormously to the values of Catholic education, and we pay special tribute to the principals, their teaching colleagues and ancillary staff of all our Catholic schools for their personal fidelity and commitment. A New Year….as we move further into 2024, perhaps it's a time for all of us to reflect carefully on our lives and to see this time as an opportunity for a new beginning. If I haven't been to Church for some time, perhaps it's time to consider returning to join with the wider family of God and with the worshipping community. Is God calling me to be more involved in the life of my Parish and in the life of my Church? What more could I do for my Parish/Church? And if you are willing to help in any way, please contact the Parish Office.
