Lent is a time for new beginnings, a time to enter into the sufferings & death of Jesus, before celebrating the hope & joy of Easter. Our focus in Lent shouldn't just be on earthly things. Lent reminds us that there's more to life than the physical world. We're all guilty of getting caught up in the practicalities of life; it's only natural to work & rush & plan & worry. Lent offers all of us an opportunity to reflect on what's really important. The sacrifices we make or the extra effort we put into becoming better people during Lent are all part of the spiritual journey. Trocaire Boxes are now available at the back of the Churches in the parish. Please take one and help support the work of Trocaire in the coming weeks.

Parish Mission/Festival of Faith will take place from **Sat 24 – Wed 28 Feb**. Fr Laurence Gallagher, a Redemptorist Priest will lead us during the few days. A copy of the programme will be available in the Churches in the parish in the coming days**.** It's hoped that the people of our parish will make every effort to join in the few days. It will be an opportunity for all of us to reflect on our lives and our faith and how we can live as better Christians in our world today**.**
