Jubilee 2025 – "Pilgrims of Hope": This is a special Jubilee/Holy Year within the Church, 25 years on from the millennium and there couldn't be a better time for a Jubilee Year of Hope, as we live in a world today where anxiety, doubt & often despair appear to have the upper hand. It's sad that so many people go through life without realising in a personal way that God loves them just as they are. Others find it difficult to believe in hope and love because of the present state of the world – all the more reason however for us to believe! Pope Francis invites all of us to become "pilgrims of hope" & he reminds us of the words of St Paul: "hope in Christ, does not disappoint".

World Day of the Sick: Tues 11 February - Father of tenderness & compassion, you sent your Son to share our human nature, to redeem all people, and to heal the sick. Look with love on all who are in need & all who are sick at this time. We pray for doctors, nurses, carers & all who work to heal & help those who struggle & those who are sick. Support all of us with your power, give us hope in our times of trial & suffering & keep us always in your love & care. We ask this through Christ our Lord, AMEN.
Feast of Our Lady of Lourdes: Tues 11 February: O Immaculate Virgin, mother of mercy, health of the sick, refuge of sinners, comforter of the afflicted, you know my needs & look with mercy upon me. By appearing at the Grotto, you were pleased to make it a privileged sanctuary where you dispense great favours & many have obtained cures from their infirmities. I come now with great confidence, to seek your intercessions & grant what I request. As I thank you for your favours, I will try to imitate your virtues, so that I may one day share your glory, AMEN.
