Prayer for Mothers: God of grace & love, we thank you for all mothers & we ask your blessing upon them. We pray for mothers who have difficult homes & whose children are more of a problem than a blessing. For those whose children are far away & for those who are lonely. For those who find it hard to make ends meet or go short themselves for the sake of their children. For those who don't know Christ nor how to cast their cares onto him. For each one according to her need, we pray and draw all mothers, living & dead closer to you this day, AMEN
