A February Prayer: God of the Winter sky, fill the nights with stars, for I need to lift my eyes and raise my weary soul from shadows and short days, from dreary tasks and unending lists. Shine bright lights into the darkness and remind me that new life and dormant seeds gather strength in the depths of the earth. Open me to the newness inside me waiting to be born, AMEN.

World Day of the Sick: Wed 11 February - Father of tenderness & compassion, you sent your Son to share our human nature, to redeem all people, and to heal the sick. Look with love on all who are in need & all who are sick at this time. We pray for doctors, nurses, carers & all who work to heal & help those who struggle & those who are sick. Support all of us with your power, give us hope in our times of trial & suffering & keep us always in your love & care. We ask this through Christ our Lord, AMEN.

Feast of Our Lady of Lourdes: Wed 11 February: O Immaculate Virgin, mother of mercy, health of the sick, refuge of sinners, comforter of the afflicted, you know my needs & look with mercy upon me. By appearing at the Grotto, you were pleased to make it a privileged sanctuary where you dispense great favours & many have obtained cures from their infirmities. I come now with great confidence, to seek your intercessions & grant what I request. As I thank you for your favours, I will try to imitate your virtues, so that I may one day share your glory, AMEN.
